

ALPHA LOGISTICS SERVICES PVT. LTD.

How can Alpha help you?

*Offering Single Window
Services*

Who We Are...

We at ALPHA LOGISTICS SERVICES PVT. LTD., have been running our business since 1995 under the dynamic leadership of Mr. PUNEET SHARMA. With his vast experience gained by working with CONCOR and shipping lines like TATA NYK, he has put us on a platform where we have developed a branch network catering to shippers of North and Western India.

The Advantage

Alpha's aimed at providing one-window solutions to all logistic needs with complete customer satisfaction, for over a decade now we have successfully evolved to meet the challenges of the dynamic market scenario, continuously capturing business opportunities. The principle of providing complete customer satisfaction through highest quality standards of services, reflects in our long list of satisfied customers. To keep a finger on the market pulse using the state of art technology, and equipped with experienced (dedicated) personnel, we aim at providing diversified services that are specially designed to give our customers a competitive edge in the international market place.

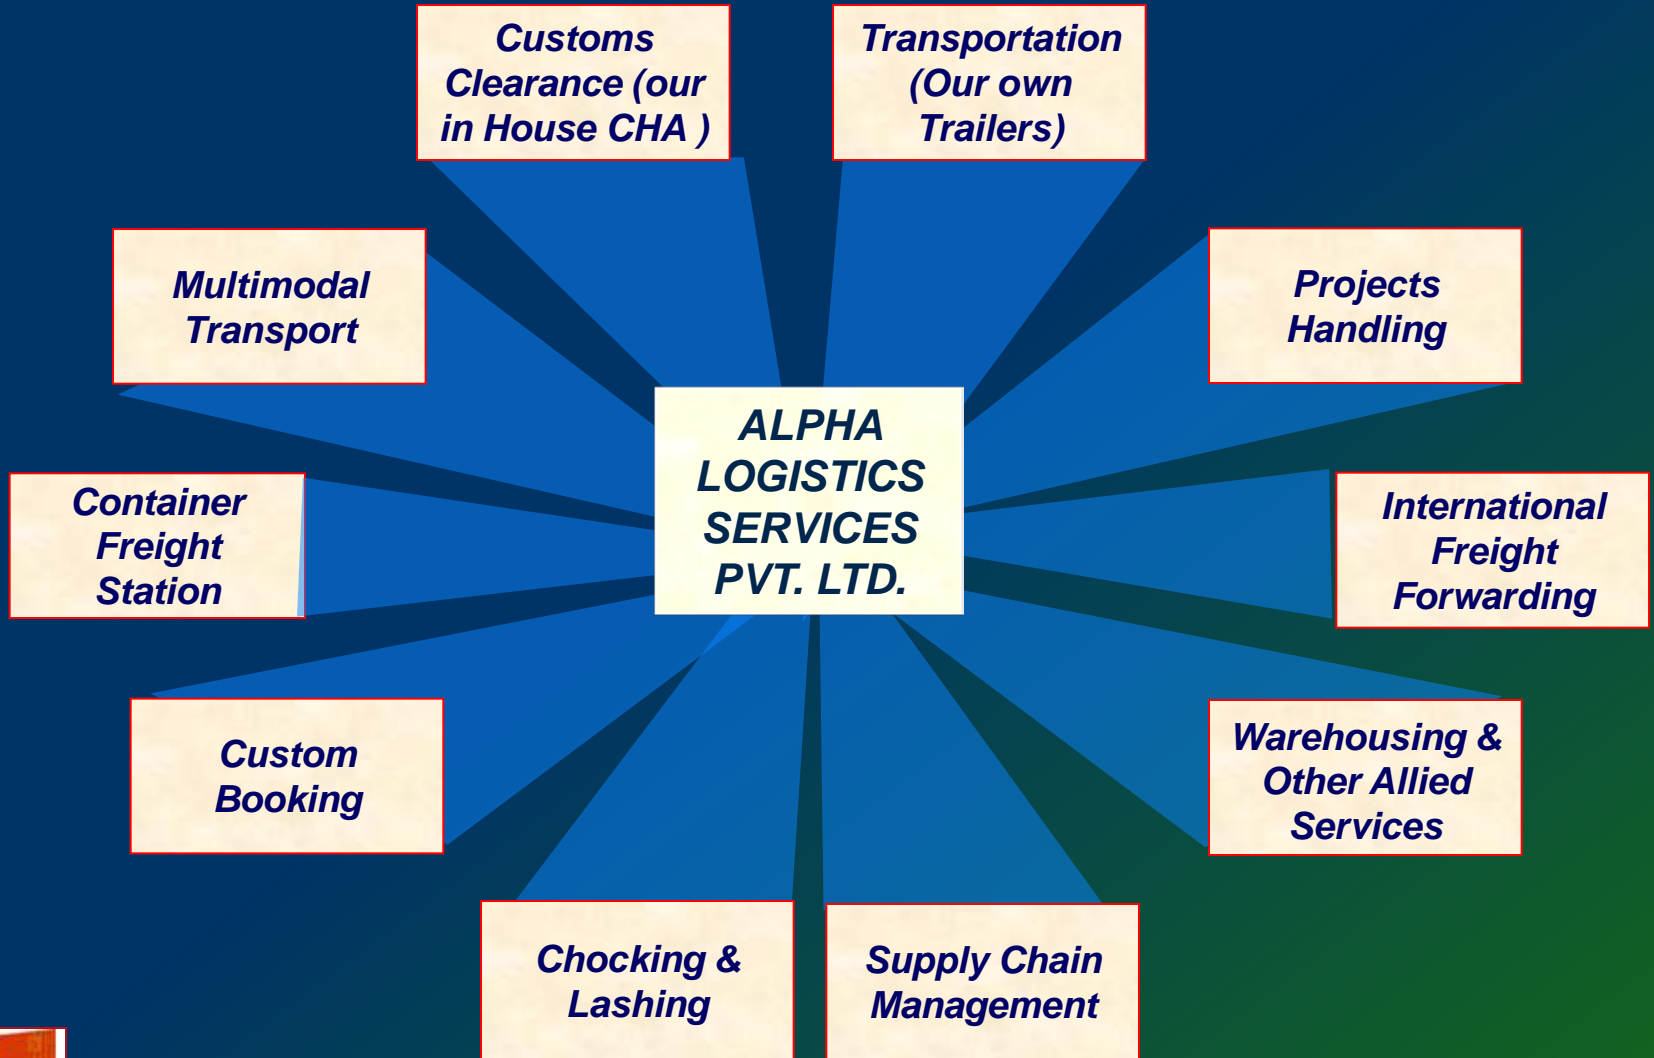

Our Mission

To deliver the best service with measurable benefits in International Sea / Air Freight Forwarding and be acknowledged as an expert in the field. Also to deliver end-to-end Logistics solutions to customers for cargo handling by working with Group Companies with expertise in other verticals of Logistics.

Services Offered

Single Window Logistic Solution

Our activity starts from the time Shipper/Consignee/Buyer place the order. Our Staff/ associates keep a strict follow up for the timely delivery of your goods for shipment. We will keep you informed about all the developments from pick up till delivery.
